

## Newsletter October 2019

### Captain's Call

On the launch of the Mount Eliza Project John Drysdale reminded us to commit to the project. How well you did. We were also reminded to think about the nominations for the committee at our Annual General Meeting. Our present committee, in the main, have created the Shed and sustained us to now. They represent sections of our community which have contributed to our development and each has expertise to share. We need to commit to what we want to contribute at the AGM on Monday the 28<sup>th</sup> October at 5 P.M. at the Over 55's rooms (Alongside the Neighbourhood House).

### The month that was

An interesting Big Day Out was held at the Dromana Men's Shed. An opportunity to meet other shedders and hear about different ideas. John T continues to tidy up. Don S on a B Hotel mission.

**A Job Well Done.**

**You were behind it.  
This month the Out-door  
Class Room and Blackboard.  
Prepare for the November  
Farmer's Market.**

Below. A studied profile.

### **Profile. John McCarthy.**

*As a youngster, basically did all repairs on my cars, except for motors. Owned a bush block and helped build a ram earth and mud brick house with friends.*

*Bought a 1922 weatherboard house 30 years ago. Did many things inside and out. Have always liked D.I.Y. I appreciate encouragement and enjoy creating something. ( He says at a slower pace . But we didn't notice it this week.)*
